Remarks:

[redacted] was disapproved for Agency employment on the basis of information submitted to the Applicant Review Panel by the Office of Security. Basically, the adverse information related to his general suitability. We have asked the Office of Security to hold their file active in the event you wish a more thorough briefing.

Delay in preparing response to this letter was occasioned first by need for us to recall the file from the Records Center and second by the need for the Office of Security to retrieve their file.
